Being Reparago,-The old house situated on Water street, near the corner of Union, whose charred walls have so long been a monument to some-body's lack of enterprise, is now being fixed up, and will soon be ready for oc-

Professional.—We see that our genial old friend, Dr. Baguley, of Wellsville, Ohio, (formerly Surgeon of the 1st W. Va. Infantry,) has been successfolly engaged in a difficult operation on Mr. Frank Odenbaugh, up near Weltsburg, this State. The high professional reputation that the Doctor sustained in the army will justify the belief that any patient in his hands will be treated with great skill.

There will also be a grand mating will be regarded by all as just recognition of the services of a most efficient officer. Col. Hosack has many friends among our readers, who will be highly pleased to learn of his merited promotion.

MUSIC VS. CHEESE,-We heard the other day of the formation of a com-pany-composed of two persons, one a usical gentlemen, the other not—which proposes engaging in packing cheese. We have no doubt that
there is money in it, especially to the
one who sells the company the article,
and we wish the company much luck.
They ought to succeed; as they have
fine ears for cheese, as well as for several of the other niceties of this world's
goods. We suppose they will cut their oods. We suppose they will get their neese set to music—operatic airs.

POLICE COURT.—Yesterday, as is usu ally the case on Monday, was a very active day in the police court.

William Berry, for an assault and fo disorderly conduct, was fined \$10 ancosts

costs.

Abraham Ritchie, Steele Miller, and another person, for disorderly conduct, were fined \$10 and costs each.

Jackson Prinee, for selling coal without license, was fined \$5 and costs.

A couple of young men were arraigned on a chargs of larceny, in stealing a cost from Mr. Thomas Hughes on Saturday last, and were sent up to the Circuit Court for trial.

THE ODD. FELLOWS CEREMONIES TO To-day the inauguration of a Grand Lodge of Odd Fellows for this State, of which we spoke the other day,

In our advertising columns will be

found a partial programme for to-day's proceedings.

AN ANSWER, WE HOPE,-The editor of the Parkersburg Daily Times in-dulges in a "blow" about our efforts in behalf of the Board of Trade, and wants to know why the one established nere in 1842, and which was continued for about twelve years, and to which he says our city owes all its present prosperity, was not kept up. We don't know exactly why it was, unless because the aforeasid editor, who was connected with our old Board, left the city. No institution could well live after such a deprivation. We think he ought to organize a Board of Trade and "build up" Parkersburg. That's our "status." here in 1842, and which was continued

PAPER THIEVES.—Several days ago we made mention of the well known nuisance of paper borrowers, and ex-pressed a desire to see the evil corrected in our bailiwick. Since the above mentioned time another mean trick has been brought to our notice. For some been brought to our notice. For some considerable lenght of time back a few of our subscribers up on Quincy street, about 6th and 7th, have been complaining of the loss of their papers. The aforesaid disappearances were unaccountable until yesterday morning, when a gentleman caught a large, nearly full-grown girl in the act of stealing the papers. Such a shameless exhibition we hope will never be repeated. If it is we shall mention the name of the offender. If she will quit now we will let her off.

lost to shame as to become a participant in such mean customs should be
attended to by the law. We are informed that on Sunday evening last
particularly was the lounging custom
practiced at our churches.
We want to see this custom broken

to visit the churches, as far as possible,
on each Sunday evening. A few arrests, followed by the application of
the law, which is severe on this class of
offenders, will help greatly to further

THE WEST VIRGINIA MINING AND MANUFACTURING COMPANY.—The Di-rectors of this Company, consisting of Measts, Henry Crangle, Jacob Berger, A. Allen Howell, T. M. Dodson, M. W. Burt, W. F. A DAY FOR THE BLUES,-Yesterday was a hopelessly dreary day. At intervals the rain fell heavily, drenching the luckless pedestrians without umbrellas. Between times the drizzling PROTEACTED MEETING.—The pro-tracted meeting in the Methodist Church which has been seen and damp air, gave but lit which has been going on for several weeks past at Trindelphia, was closed last week. The Rev. Moses Tichnell conducted the meeting, which is said to have been a fine one. About fifty con-verts were obtained. on Mr. Frank Odenbaugh, up near Wellsburg, this State. The high professional reputation that the Doctor sastained in the army will justify the belief that any patient in his hands will be treated with great skill.

River News.—The river was slowly falling yesterday, with five feet and five inches of water in the channel.

The Kenton passed up for Pittsburgh. The Potomac arrived from Cincinnati, and will leave again at 5 o'clock this evening for the same place.
